

ROAD BOARD

MINUTES

September 13, 2012

The Weakley County Board of Highway Commissioners met in regular session on Thursday, September 13, 2012 at 5:30 p.m. at the Hwy. Dept. Members present were Commissioners Garry Mansfield and Bobby Roginson and Public Works Members present were Commissioners Joe Farmer, Mike Medling, Larry Taylor, and James Bynum.

Chairman Farmer called the meeting to order and Supervisor Hopper opened the meeting with prayer. The minutes of the previous meeting were approved by a motion from Commissioner Mansfield and second by Commissioner Robinson. Motion carried.

Old Business: McClain Levee Bridge almost finished and will be opening soon.

New Business: Supervisor Hopper informed the boards that the county is now tar and chipping and patching roads and doing some other resurfacing. The State Aid paperwork is in Nashville and we be hot mixing those roads probably next spring after roads have set thru the winter.

Commissioner Medling complimented the county for the good work on Shafter intersection and McKenzie Hwy and expressed his gratitude for the hot mix on Webb Rd.

Equipment needs were discussed and it will be pursued at a later date when more figures and needs of priority are decided.

An asphalt plant may be in the future so that our county can make their own hot mix. A committee will do a feasibility study for our county. We could lay twice as much with our own plant. The cost of the plant would be Between \$500,000 and \$750,000.

After a brief discussion there was no further business, and the meeting adjourned after a motion from Commissioner Robinson and second by Commissioner Mansfield. Motion carried and meeting adjourned.

Chairman Garry Mansfield
